

# SYNCS HACK 2026

#! hack

Let's Start!

## **Acknowledgement of Country**

**We acknowledge the Gadigal people of the Eora Nation, the Traditional Custodians of the land on which the University of Sydney is built. We pay our respects to their Elders past and present, and extend that respect to any First Nations people here today. Sovereignty has never been ceded. It always was and always will be Aboriginal land.**

SURPRISE

# INTRODUCING THE THEME

DRUMROLL PLEASE..

An aerial photograph of the Sydney Harbour Bridge and the Sydney Opera House. The bridge is a large steel arch bridge spanning the water. The Opera House is a white, shell-shaped building on the left side of the bridge. The water is blue and there are many small boats. The city skyline is visible in the background with various skyscrapers.

# SYNCS HACK 2026 THEM

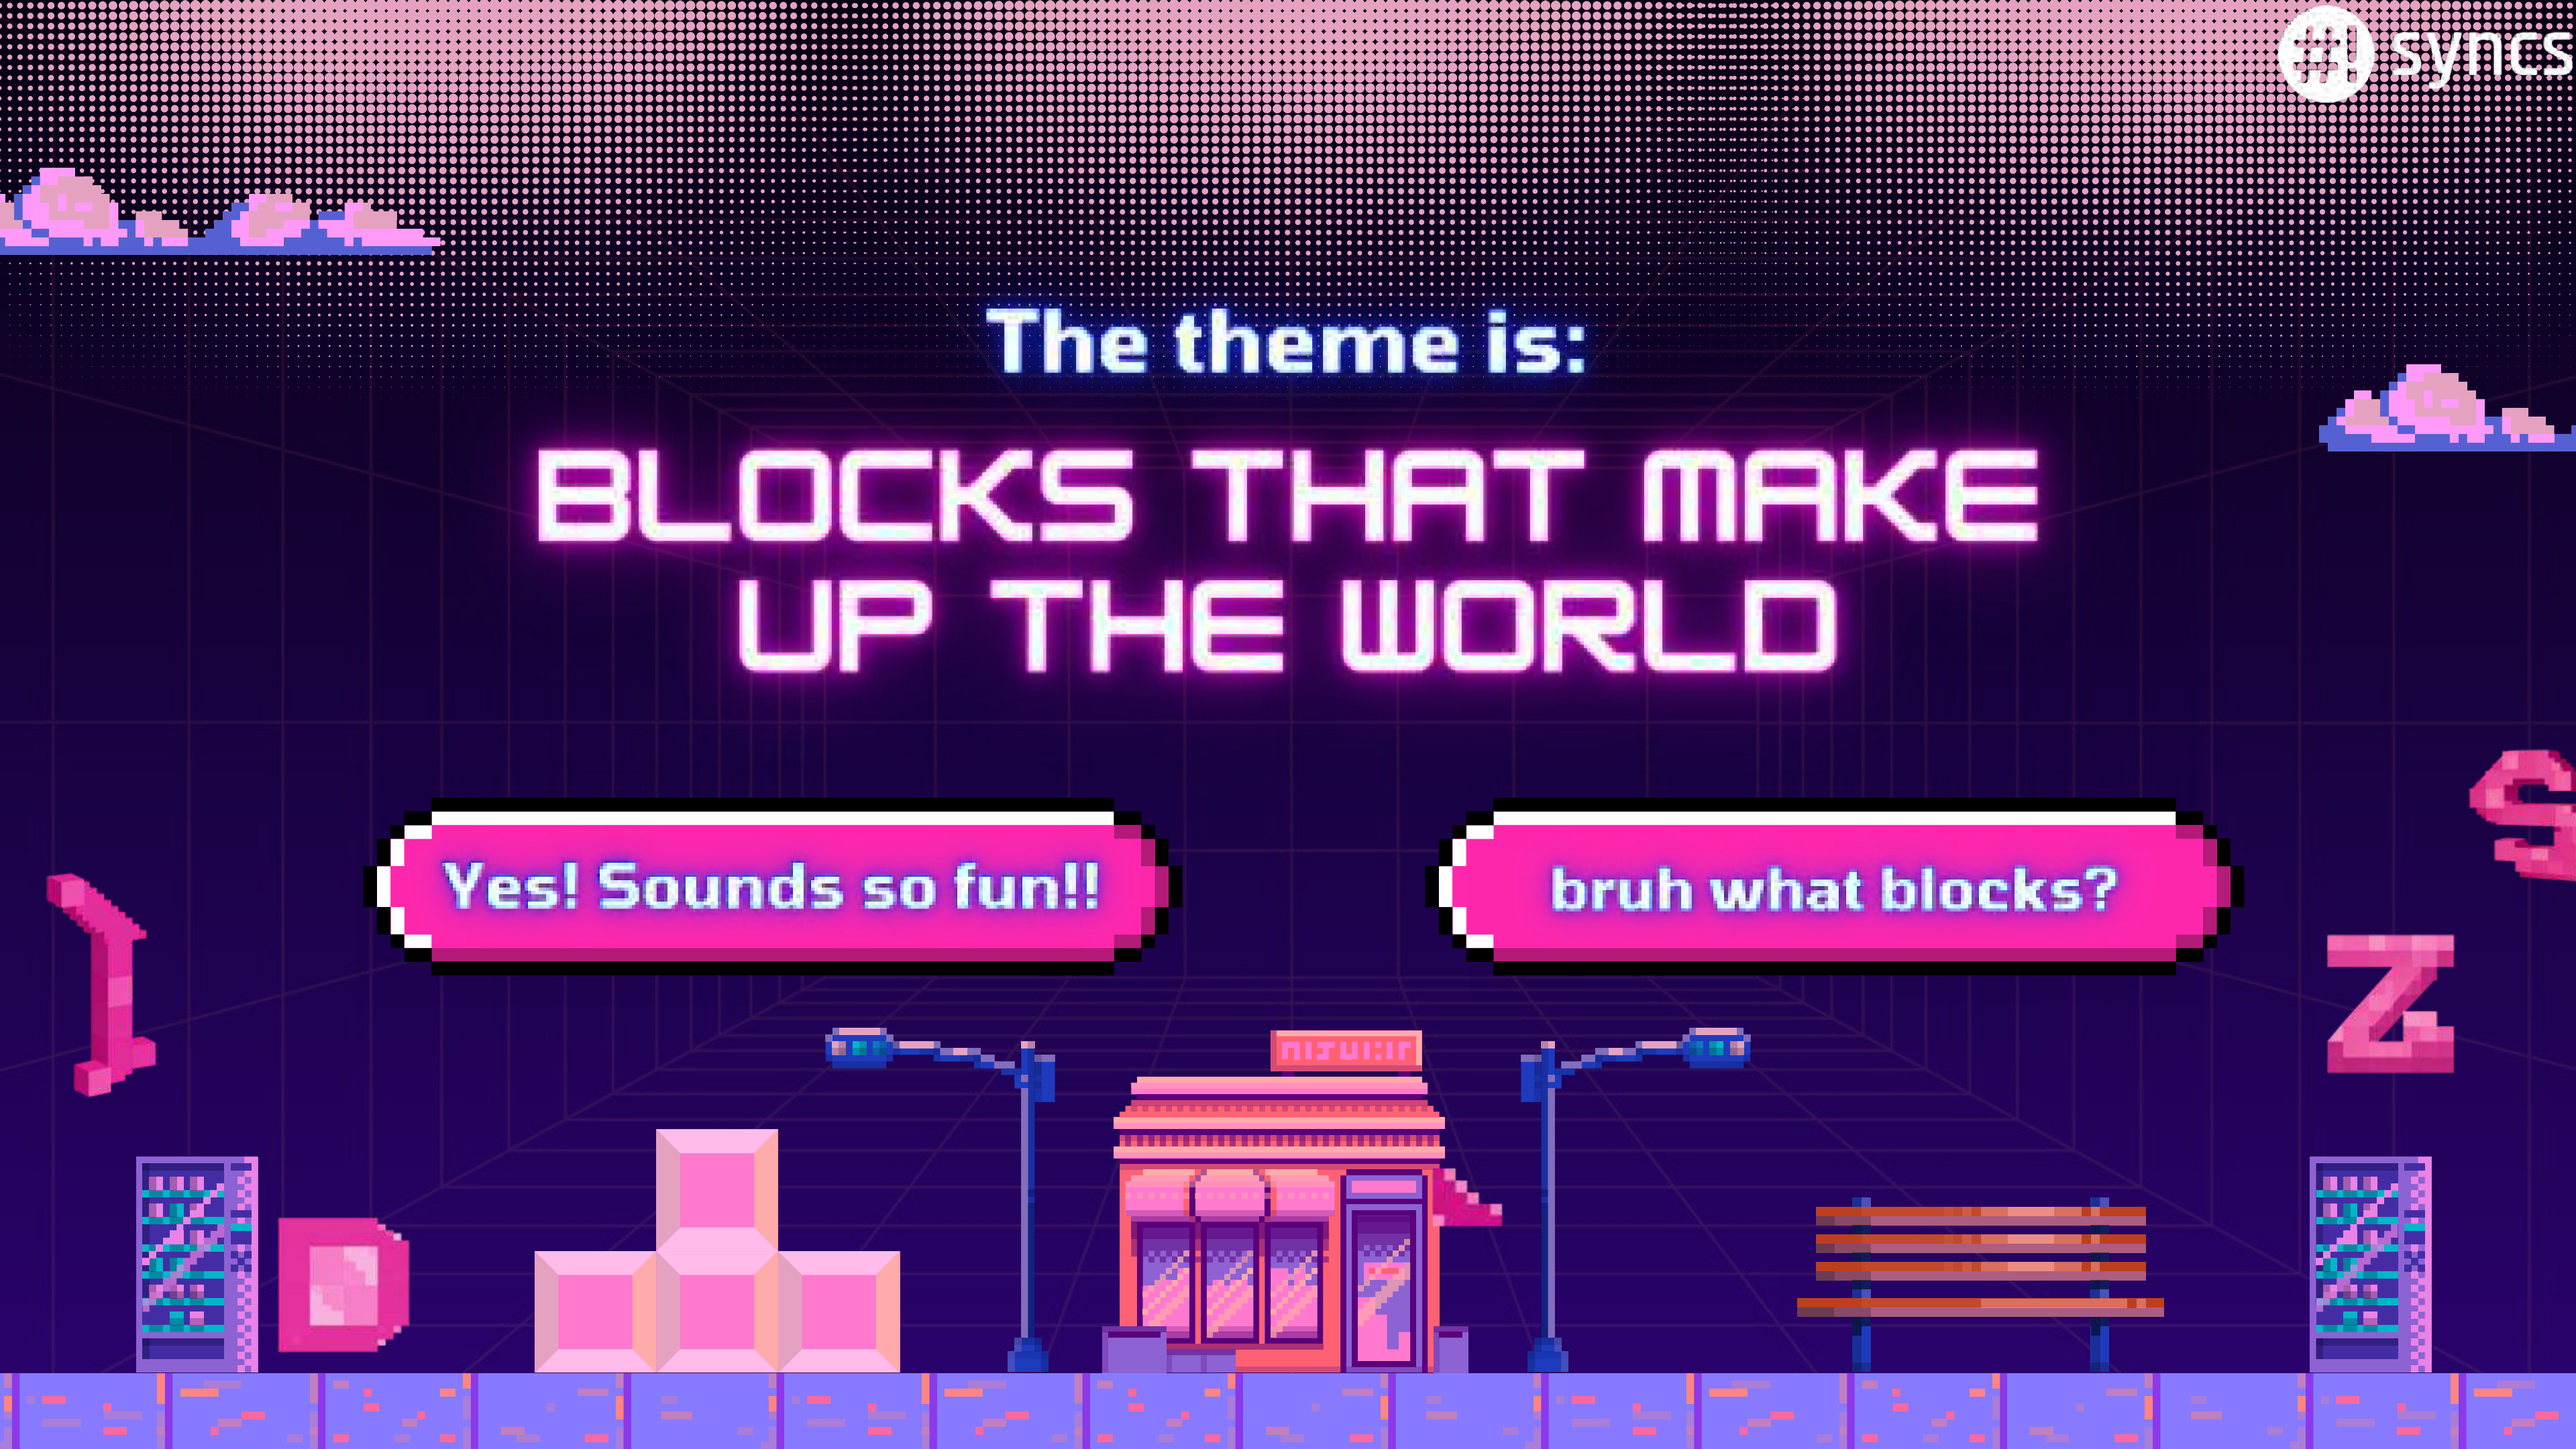

The theme is:

BLOCKS THAT MAKE  
UP THE WORLD

Yes! Sounds so fun!!

bruh what blocks?

## 'Blocks' you could explore:

- What technology solutions help communities share underused resources, skills, knowledge, or infrastructure?
- How can we use technology to bring us closer to our past and connect with other cultures?
- How, in a world where technology begins to isolate us, can we find genuine connection with each other?
- What tools can we use to ensure accessibility to our essential resources?
- How can we make information and digital services more accessible to people with different abilities, languages, ages, or levels of digital literacy?

## *Important*

- Call 000 for emergencies
- J12 door will be locked from the outside
- No alcohol event
- Grab a redbull
- Check the info pack for more details

GOOD LUCK AND  
HAVE FUN!
